Application No. 10/786,802	:	Decision on Petition
Filing Date: February 25, 2004	:	
Attorney Docket No. 2002-0319	:	

This is a decision on the petition under 37 CFR 1.137(b), filed December 16, 2008, to revive the above-identified application.

The petition is **granted**.

The above-identified application became abandoned for failure to reply in a timely manner to the final Office action mailed June 12, 2008, which set a shortened statutory period for reply of three (3) months. An extension of time under the provisions of 37 CFR 1.136(a) was not obtained. Accordingly, the above-identified application became abandoned on September 13, 2008.

The instant petition requests revival of the application.

A grantable petition under 37 CFR 1.137(b) must be accompanied by:

- (1) the reply required to the outstanding Office action or notice, unless previously filed,
- (2) the petition fee,
- (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional, and
- (4) a terminal disclaimer and fee if the application was filed on or before June 8, 1995 or if the application is a design application.

Petitioner has submitted a reply to the final Office action in the form of a Request for Continued Examination filed December 15, 2008. Petitioner has submitted the required petition fee of \$1,620. Petitioner has stated the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional.

Petitioner has met the requirements to revive the above-identified application pursuant to 37 CFR 1.137(b). Therefore, the petition is granted and the application is revived.

Technology Center Art Unit 2416 will be informed the petition to revive has been granted and the application will be further examined in due course.
